### Notes:

- 1. All EAS courses may be counted towards the major, but at least \*18 of the minimum \*30 must be in Human Geography (HGP or EAS X9X). Where more than the minimum is taken, at least half the units of course weight must be HGP or EAS X9X courses.
- 2. See Calendar, Section 43.3 Note (5) for cross-listed courses.
- 3. The information in this program planner is based on that in the University Calendar. In the event of a discrepancy, the information in the University Calendar takes precedence.
